Furniture Accessories

*Dimension (160mm etc.)*

Our handles are produced from the highest quality ZAMAK 5 and Press Aluminum metals. It is measured with the world standard 32 and its multiples. The products are kept in coating pools until their coating measures 11 microns after passing through the highest quality hand workmanship and packed with attention.

With 14 different colors in different designs and functions, our hangers are produced as long and short with screw hiding option.

Our unbreakable, colorfast, guaranteed products bring great looks to your furniture with different designs in areas such as TV units, kitchens, armchairs, coffee tables and beds. Legs are produced with metal, aluminium and plastic materialsOur unbreakable, colorfast, guaranteed products bring great looks to your furniture with different designs in areas such as TV units, kitchens, armchairs, coffee tables and beds. Legs are produced with metal, aluminium and plastic materials

Fasteners, shelf holders, glass holders, connectors, stoppers and more...

Our products, which will make your kitchen and bathroom use easier, are bent and welded with 5mm and 6mm iron bars, and bright appearances are obtained.
